MOXY IS A MENTORING SALON

The best way for new talent stylists to become better at their craft is by allowing them as many opportunities as possible to provide services. This is why we are a mentoring salon. When you book an appointment with a Protégé stylist, you allow these professionals to develop their skills but also benefit from a lower cost cut or color. All Protégé stylists are mentored by a Master Stylist and their services are reviewed for quality and satisfaction.
